CA License Classification(s):		CA License Classification(s):	

Applicant shall agree to save, indemnify and hold harmless Ross Valley Sanitary District against all liabilities, judgments, costs, and expenses which may in any way accrue against the District in consequence of granting this permit. If said improvements ever require repair, removal, and/or relocation as determined by the District, **Applicant** further agrees to perform such work at **Applicant's** expense within a reasonable time upon being notified by the District. ***NOTE:** The District will keep a final hold on the property until the sewer lateral(s) serving the property pass a final inspection with the District. Work in the Public Right of Way requires a County, City, or Town Encroachment Permit.

Required (check all): I agree to:

- Submit plans to plans@rvsd.org
- Not start work without an approved District Permit
- Schedule an inspection with the District prior to backfill
- Obtain an Encroachment permit if work is required in the Public Right of Way

Applicant is: Property Owner Agent Contractor

Reason: New Connection Remodel Accessory Dwelling Unit Public Sewer Extension Other

Side Sewer Plans <u>must</u> accompany this application, and shall include the following: footprint of existing and/or planned structures, property lines and easements, district sewer lines and manholes, existing and/or proposed side sewer and clean-outs, and any pipes that will be abandoned (see District Specifications for guidance). All side sewer installations and related work shall be constructed in conformity with District specifications, rules, and regulations. Upon completion of construction, but prior to concrete pour/backfill, the District must perform an on-site final inspection. Call (415) 259-2949 to request an inspection at least 24 hours in advance.
