

NOTICE OF CONSTRUCTION

PROJECT: *FY 2019/20 Force Main Appurtenance Project*

OWNER: *Ross Valley Sanitary District*

CONTRACTOR: *Trinet Construction Inc.*

TASK: *650 South Eliseo Drive – 8” Plug Valve Replacement*

Trinet Construction, Inc. is under contract with the Ross Valley Sanitary District to complete rehabilitation work on the underground sewage system in the Greenbrae area. This includes replacing a critical 8-inch valve in your area. The worksite is located in the north side of the roadway at 650 S Eliseo Drive.

During construction, all crew members and personnel will adhere to the most up to date health and safety guidelines relating to the COVID-19 pandemic. Crew members will always be wearing gloves and masks. This is for the protection of both the public and our crew members.

Project Timeline

August 31, 2020: Potholing & Excavation (8:00 AM – 5:00PM)

October 05 to October 16, 2020: Valve Replacement Work, Backfill & Pavement Restoration.

This will be mostly day work (8:00 AM to 5:00 PM) but will include one work for one night (10:00 PM to 6:00 AM) for the shutdown and installation of the new valve.

Project Impacts: Please expect some noise from construction equipment and activities during work hours, which may impact residents adjacent to the work site. During the one night of night work, Trinet will make every effort to minimize heavy noise generating activities. Traffic along S. Eliseo Drive will be impacted during working hours due to lane closures necessary to perform the work. “No Parking/Tow Away” signs will be posted 72 hours in advance with the project workhours and parking restrictions. Access to private or commercial buildings will be maintained at all times.

For further information please contact:

James Leyden, Superintendent

Trinet Construction, Inc.

3934 Geary Blvd, San Francisco, CA 94118

Office # (415) 695-7814 Cell (650) 315-5392

Should an urgent matter arise after regular business hours, please contact James Leyden on his cell phone at (650) 315-5392.

We appreciate your cooperation and patience while we complete these improvements to the Ross Valley Sanitary District infrastructure in your neighborhood.
