Therefore, it is the intent of the District that every Person residing or conducting business in this District shall dispose of such waste except as otherwise provided in this Ordinance, through the Authorized Refuse and Recycling Agent or the Authorized Hazardous Waste Collection Facility of this District. Nothing in this Ordinance shall prevent an owner and/or occupant of a residential or commercial Premise from making occasional disposals of Solid Waste at an authorized disposal site in addition to their regular weekly service, or from utilizing a temporary Debris Box Service, consistent with Article III, Section 305.

SECTION 202. **DUMPING OR BURYING:** No Person shall dump, place or bury in any lot, land or street, or any alley within the District, any Solid Waste, Household Hazardous Waste or Conditionally Exempt Small Quantity Generator Waste, without first having obtained a Solid Waste Facilities Permit or exemption from that permit issued by the Local Enforcement Agency of Marin County and concurred with by the California Integrated Waste Management Board.
