ADDENDUM NO.: 2

DATE: October 5, 2022

To All Potential Respondents:

The following changes, additions and/or deletions shall be made to the Request for Proposals for Engineering Design Services, Bid Support Services and Engineering Services During Construction for the FY 2023/24 Gravity Sewer Improvements Project (the "RFP") on which proposals will be received **no later than 2 PM, October 18, 2022.**

I. CHANGES

Answer 4 in Addendum 1 issued September 22, 2022.

Question 4: For Commercial General Liability insurance, under Section 17.A, will the District permit Excess Insurance limits to comply with the \$2M required limits?

REVISE Answer 4: ~~No.~~ Yes. Respondents can meet the required Commercial General Liability insurance limits through a Commercial General Liability policy and an Excess Liability policy that conforms to the provisions of the Form of Agreement in Attachment A of the RFP. If awarded a contract, the Consultant shall provide an endorsement to ensure that an Excess Liability policy follows form to the underlying Commercial General Liability policy.
